Sue was the sweetest lady I know. We were besties for over 20 years. WE had so much fun camping and riding our 4 wheelers. She was always there for me. I will miss her birthday call that she did every year. Rest in Peace dear friend. I love you and miss you. Vicki

My condolence to the family. Sending healing prayers and comforting hugs to her family. My name is Minnie Davis. Sue and I met way back in 1976 through CB radio and became friends right off and were like sisters. I didn't like her call name on the CB and told her so, it was Under Cove Lover Lady. I told her guys would get the wrong idea of her. So she changed it to Lazy Susan. She was always making me laugh with her funny songs she would sing. And her jokes! I don't know how she could remember all them songs and jokes! Half the time I have to ask, "what day is it?" I'm going to miss her calls on my birthday and New Years and her visits as well. She is a very loved friend. Her spirit lives on in my heart and mind for the rest of my live.
