Penny Yvonne Everley

Penny passed away March 18, 2022, after courageously battling Multiple Sclerosis for most of her adult

life. Penny was born July 26, 1956, in Cumberland, MD to Frank and Catherine Carner. As the only girl

with four brothers, Penny learned how to be tough which gave her strength and determination that far surpassed most.

The family later moved to Florida where she spent the majority of her younger years and found her love

for sunshine and the beach. She married Joseph Heinbach and they moved to Utah.

Penny and Joe had

two sons, Joseph Heinbach Jr., and Brent Heinbach, who were Penny's greatest source of pride. She and

Joe later divorced. Penny then met and married Mike Everley. They spent several years together, but later divorced.

For most of her career Penny worked in the restaurant industry, owning and waitressing at many

establishments. She especially enjoyed owning Syracuse Café where she made many friends and

memories that she often reminisced about. Penny's greatest loves were her grandkids, cooking for

family, shopping, getting glammed up, and visiting the beach. Even while in hospice care Penny insisted

on having her hair and makeup done, always wanting to look her best no matter what
