I miss you brother everyday. Your never to far from my mind and never out of my heart. Things out here are still the same doing what I can to do alittle better everyday. I know your in heaven watching all of us, keeping us safe, and reminding us of how much you love it's everyday. A skittle here, a penny there, I came a cross you cowboys stuff on a day when I was ready to give up and that shirt was so comforting and reminded me of the last time you saved my life. I love you brother very much I can't wait to see you again.
