# Lochie Ketron Bryan

APR 19, 1933 - APR 11, 2022

**L**ochie Ketron Bryan was born on April 19, 1933 in Kingsport, TN. Her parents were Russell J. Ketron and Ida Belle Jones Ketron. Lochie was the 10th and last child to join the family.

Lochie was born into a very loving family. Growing up, she regularly attended the Methodist Church with her family. Daily scripture reading and prayer was a part of her life from her childhood.

She married John W. Bryan, Sr. on February 7th, 1964. Lochie had two daughters (Kim and Debbie) from a previous marriage and John had 2 sons (Bill and Pat) that he was raising. They combined their 2 little families and raised the 4 children together.

In 1970, Bro James Davis and his wife, Sis Zola Davis from Ogden, Utah were serving as missionaries for The Church of Jesus Christ of Latter-day Saints in Kingsland, GA. They presented the lessons of the restored gospel to the Bryan family. All were baptized on December 7, 1970 and became members of The Church of Jesus Christ of Latter-day Saints. They were sealed together as a family in the Ogden Temple on June 16, 1972.

Lochie was a faithful member of the Church for the rest of her life. She served in many callings, but her favorites were teaching classes about Family History and teaching classes to the children in Primary. She dedicated herself to family history research which was followed by many hours of temple work.

From 2011-2012 Lochie worked as a volunteer at the Church Office Building in Salt Lake City. She served as a hostess and gave tours of the building. She loved the opportunity to serve in this way.

In addition to raising her family, she became a licensed cosmetologist and owned her own beauty shop for many years.

Lochie baked the best sweet potato pies... She made me a believer in them and I liked hers even more than pumpkin! She was a sweet and loving woman to everyone she met. You will be missed Lochie. Please seek out my mom and give her a hug from me on this day; the 2nd anniversary of her passing.

Lockie was such a fun delightful person and made the best apple pie I've ever had. She was always upbeat and fun to visit. A light has gone out but memories burn bright. Love you Kim for your beautiful example of taking care of your mom. Kathy and Neil Moyes
