Kenneth Wayne Tims

MAY 1, 1931 - MAY 11, 2022

Kenneth Wayne Tims, our Father, Grandfather, Great Grandfather and Great Great Grandfather died peacefully in his home on Wednesday, May 11, 2022 after just turning 91 years old. He was born in Henrietta, Texas on May 1, 1931. He was preceded in death by his eternal companion, Naida of 68 years. He is survived by his four children - Kathryn Bybee, Randall Tims, Kristina Batie and David Tims, many grandchildren, great grandchildren and a great great grandchild. He lived a long and successful life. He joined the Marine Corps as a teenager and made a career in the service of his country. Although he left Texas as a teenager he was a Texan through and through and proud of it. He and his family moved all over the country as he served in the Marines until he finally retired in the 1960's in California. He completed his college education as he served full time in the Marines which provided him the opportunity to start a second career. After he retired from the Marines he went on to work in the silicon fabrication industry as a Materials Manager. He then was inspired to take a job with Signetics in Orem, Utah and moved to Alpine, Utah in 1981. After moving all over the country for half their lives, Ken and Naida made their forever home in Alpine and watched the grandkids grow to adulthood playing in the back of their home. Ken loved golfing, fishing, gardening and working in his yard. He had the opportunity to meet Latter-Day Saint lady missionaries and joined the church when he was a new father and just 22 years of age. He has always served in the Church of Jesus Christ of Latter-Day Saints his whole life. His favorite calling was that of a temple worker which he served with his wife for many years. He was always faithful in his priesthood and served as a great example to his posterity. His entire family loved him so much and cherished the memories they all had with him and likewise He so loved all his family and was thankful to his Heavenly Father for blessing him with the comforts of life, his wife and all of his posterity. He is now buried alongside his eternal wife Naida, our Mom,

Kenneth Tims was quite simply one of the most influential and guiding male figures of my life. I first met him in 2000 when I started dating his granddaughter and my future wife, Jessica. He was strong, quiet and witty in a way that only a Texas son, born during the hard-scrabble years of the depression, could be. After meeting Jessica, he immediately accepted me into the clan with open arms. He did such an amazing job with his beloved Nada of raising their children and grandchildren. I'll miss chatting with Grandpa about BYU and Cowboys football, old country music (REAL country music) and business. You will be sorely missed Grandpa! I'm so glad I had the pleasure of getting to know you and look forward to seeing you again soon. A hui hou kakou, till we meet again! Sean Neves

My husband and I had the opportunity to be assigned as Ken's church ministering helpers. It was the greatest calling ever! We tried to see him every Thursday and Saturday! His eyes would light up when we stopped by and we got to see his beautiful welcoming smile! We really enjoyed these visits. Sometimes we would read his life story (special kudos to whomever it was that helped him write it) He has such delightful stories of his adventurous life & mischievous deeds! When we would get to the part of his courtship with Naida there left no doubt he adores her. He had fun stories about his children too. Such a delightful man! We all will miss him but it's a sure thing he and Naida are having a great reunion. Love you Kenny! Bruce & Hollysue Cotton-Betteridge
