# Linda Lee Schoenfeld

APR 23, 1946 - MAY 24, 2022

**L**inda passed away May 24th after a six year long battle with Alzheimer's. She slowly slipped away one day at a time. She was a breast cancer survivor, and through many challenges in her life, she proved her strength, grace and faith.

Linda was born to Lain and Donna Bytendorp April 23, 1946. She was the oldest of 9 children. She graduated from Granite High School in 1964 and went on to attend college at the University of Utah.

Linda married Duane Schoenfeld in August of 1971. Last year they celebrated their 50th anniversary! In 1974 their first daughter, Erin Lee, died one week prior to her birth. They were determined to grow their family and were blessed with four more healthy children: Wendi, Jaime (Will), Kelli (Keene), and Brandon (Jaclyn). She was the immensely adoring and supportive grandmother of ten grandchildren: Jaron, Ashton, Jacob, Allie, Keira, Tristan, Keene Jr., Sienna, Saydie and Sawyer.

Linda lived for her family and enjoyed every opportunity she had to spend time with them. She attended countless soccer games, dance recitals, theater performances, school and choir programs, sporting events, and any other family-get-together. She loved supporting her family in every way she could.

Linda loved her church and served in various capacities. She loved camping, Jeeping, bowling, walking with the ladies, learning new things and bettering herself, her skills and talents, in new ways. She always had an open mind and tried to see things from other's perspectives. She was one of the most loving, patient, and compassionate people we have ever known. She was thoughtful, selfless, fair, genuine and stronger than you can imagine. She was a great example and lived every day to share love and kindness with all those she met.

We would like to extend a huge thank you to Charter Home Health and Hospice, and Rocky Mountain Home Care! They have spent countless hours caring for Linda. They are all so kind,

Linda will live on in my memory as one of the most selfless, caring, generous and above all loving persons in my life. She loved the little things in life, notably little children; but most of all she loved her family! She was so proud of Wendi, Jamie, Kelli and Brandon and loved being around her grandchildren; she would beam when telling stories of them. Linda came into my life and the lives of my girls when she was needed the most. She was always willing to help with my girls after school when I couldn't be there, giving them a ride home, but more importantly giving them a soft place to land, a warm heart and a listening ear. Once when filling papers out at Butler Elementary, I listed Linda as an emergency contact for my girls and was told Linda was listed as more students emergency contact than any other person! She could be counted on in good times and bad. Linda loved to walk and loved to stop and chat. I hope she is enjoying her walk right now enshrouded by the love and care she so selflessly earned!

My dear sweet sister. When I was a little girl, I idolized my big sister. She would talk to me and teach me about life and relationships and how to speak to people, things not to say, and how to be kind to others. She was an example of love, kindness and non judgement of others. It hurt me to see how little she felt about herself her whole life, because to me, she was a giant in many ways!
