Kirk Nolan Larsen

MAY 10, 1957 - JUN 9, 2022

Kirk Nolan Larsen July 10th 1957- June 9th 2022

On Thursday June 9th, we lost a loving husband, father, grandfather, uncle, brother and son unexpectedly. For all that knew Kirk, knew of his love for fishing and the mountains. Also for his unique sense of humor. He would give the shirt off his back or the last dollar in his pocket if it meant it would make you smile. He had faced many health issues in the past couple of years, however that never stopped him from doing whatever he could to care for his wife and in his words soul mate Suzy Q.

He is preceded in death by his father Nolan Larsen, brother Keith Larsen and sister Jody Kimbrell.

He is survived by his mother Ardith Larsen, his children Jennifer, Nicole and Curtis, as well as 6 step children. Many grandchildren and great grandchildren and of course all of his loving sisters and brothers, to Kirk family was important and he always wished he could do more. Lastly his wife Susan Carter Larsen, his best friend and the person he spent the last 23 years with. The love he had for her was like no other.

And from one of his favorite songs.

"God knows, I'll see you on the other side "

Rest easy, always loved, never forgotten

Dad, I miss you so very much. I remember all the good times we've had together. Like driving up the canyon listening to your favorite music. We will always cherish those memories. I will love you always and forever. Love Nicole

Dad, I still can't believe you are gone. It was an absolute honor to be able to take care of you this last little bit. I still go in your room and talk to you! I hope you can hear me. I was cooking dinner the other night and was thinking the other day when we were making shrimp salad, our favorite. And you forgot to take the skin off the shrimp and then we laughed and laughed. You are my best friend and I am completely broken and so lost without you. Thank you for everything you always made a dark place very bright and believe you will continue doing so. I love you daddy and I am so happy you are with all the people you've missed and loved! You are forever and ever in my heart. All my love, Jennifer
