Reading Uncle Elliott's obituary reminded me of a brilliant roadshow that he wrote when I was a young teenager. The main character, Jubilation T. Cornpone, came complete with his own music, also written by Elliott. That song and roadshow are with me to this day some 55 years later and are a testament to his talent.

I just saw Elliott's obituary today and am saddened with his passing. He was a wonderful person, and a great cousin, as he often kept me in the loop on Roberts Family events. He will very much be missed. My love to his wonderful family. Brian Roberts (son of Bert Roberts) Pleasant Grove, Utah
