## **Wesley Dean Barfuss**

SEP 12, 1957 - JUL 3, 2022

**O**n Sunday July 3, 2022 Wesley Dean Barfuss, husband, father and grandfather, passed away at age 64.

Wes was born on September 12th, 1957 in Ogden, Utah to Gene and Hazel (Colton) Barfuss. On March 9th, 1991, Wes married his soulmate Judy Diane (Quenemoen) Barfuss. They raised three daughters Jessica, Tory and Lori. Wes had a passion for anything and everything mechanical. He retired from Weber County in 2014. He enjoyed spending his free time camping, riding ATVs and as of late, rock hounding with his wife and their grandchildren. Wes was known for his quick wit, exceptional mechanical ability and the likelihood he would combine the two "just for fun". He was loved and will be missed.

Wes was preceded in death by his father Gene, his mother Hazel, and his brother Dwight. He is survived by his wife Judy, his three children Jessica, Tory (Allen) and Lori, his siblings Greg (Jolene), Peggy (Gary), Jeff (Chris) and six grandkids.

A celebration of life will be held September 17, 2022, details to follow. In lieu of flowers, the family would appreciate donations be sent to the Make-A-Wish foundation.

I grew up in the same town as Wes and so I knew what a tease he could be he was a blonde kid and his sister Peggy and his brothers all had bright red hair. when people asked him why his hair wasn't red he would tell them that he wasn't their natural child he was adopted and they believed him! When he hit puberty his hair finally marked him as a Barfuss when it became red. He wasn't happy about the color change! I will miss your sweet demeanor and Smile Wes. Rest in Comfort and Peace. Thank you for loving me like your own. 31 years wasn't enough time. I will cherish all the memories, always wishing there were more to come. Love you always, Tory

We loved going camping, riding the dunes, going camping at LaPlata so many memories of Wes being a joker. Such a great mechanic always willing to help people out and a great brother. I have a story to tell about Wes and a neighbor Ed. Ed would be outside doing yard work Wes would whistle at Ed and he would look around wondering who whistled there was Wes with a BIG smile and grin on his face. Love Greg and Jolene

I worked with Wes at the Weber County Shop for over 15 years and he did a great job taking care of me and my assigned vehicle. He always had a kind and friendly demeanor and was very efficient. You will be missed Wes, Rex Cragun .
