The Goodson Family loved Jim for so many reasons...his generosity, humility, his competitive spirit and readiness for fun. When our families were young, we looked forward to Jim's early Saturday morning visits, a box of donuts always in hand. We spent many hours on the tennis court with Jim, constantly amazed at his skill and prowess. We loved his kids, many of whom matched up in age with ours...and we remember the Foulger's announcement that they were expecting twins! So many good memories of travel and fun. Jim said it like it was, direct and to the point. Most of all, he loved to talk about his children; he was so proud of them. Eleanor, we mourn with you and yours; we send our love and condolences from Montana. Debbie and Ray

The first time I remember meeting Jim was after I was engaged to Eleanor's brother Toney. They invited us to their apartment for dinner and he welcomed me to the family with a kiss on my cheek and a hug. That sweet greeting continued through the years always accompanied by a kind word. Jim, Toney and I are thankful for your example of faithful service to the Lord and to family. We love you; and testify that this life isn't the end, but just a moment in eternity. Until we meet again

I first met Jim and his wife Elenor while they were serving as missionaries in Crawley, UK. They were teaching Temple prep classes and my wife and I were preparing for the temple. At the time my wife was pregnant with our daughter Amy. Not only did they invite us out to dinner but they left a basket of baby clothes and toys for our daughter. We watched conference one year with them at the apartments on the London Temple grounds. These memories will live forever with my family. Your father could not have made a more loving lasting impact on our lives and I hope that he knew how much of a blessing he was to us at an unnerving time. Thank you so much for sharing him with us over here and I pray for your family at this difficult time.

The Shapiros have been blessed to know Jim and the Foulger family for at least 35 years. He was one of the best men I have ever known-smart, caring, and always with a smile on his face. May his memory be a blessing to the entire Foulger family, and may God comfort the grieving family among all the mourners in Zion and Jerusalem.

Dad had a gentle heart, an amazing testimony, was brilliant, and a way about him that made you feel like you were the only one in the room. His dry sense of humor always made me smile. His generosity was felt everywhere he went, even traveling around the world. He and mom had 9 children and still took in foster children when they were in need. They were visiting Brazil and came home with a couple that they decided to sponsor so the couple could get their education in America. If there was a need, he was the first to step up. His little acts of kindness will never be forgotten. One of my favorite things that he did was bring donuts to the people at the dry cleaners from the 7-11 next door. They loved him. He made family his first priority. Dad showed his love to his children and grandchildren with words and deeds. I love you dad and can't wait to be with you again. We can continue our Yatzee and H-O-R-S-E games. Until we meet again.
Love, Jamie (Catherine)
