Michael Pananos lit a candle in honor of Seph.

Seph was such a good guy. He was a fellow guitar player, and an excellent one at that. Always enjoyed going to Kettlefish shows and talking and jamming. It was such a shock to hear of his untimely passing. My heart goes out to all of Seph's family and friends - Seph, you will be missed by everyone who's lives you touched so profoundly. May His Memory Be Eternal Michael Pananos

Seph was a friend, and a fellow musician. I commissioned seph to build me a custom Stratocaster, and the outcome was awesome. He was quite the craftsman, a really talented luthier. I shared time with seph and his kids, and we had some really good times together. I worked with seph and his bandmates for the Kettlefish album "Prime". it was wonderful working with seph, and i sure wished he was still here. RIP seph.
