I didn't know her for a long time but in the short time..... she showed me how you should live life, have fun, travel, shop, ride the bus, gamble (Wendover- Vegas) make sure to fill everyone's tummy before they leave from a visit with her and most of all buy toilet paper and Kleenex even if you don't need it because someone will! To my Amigee, you taught me things too..... you taught me how to be a good sister even though I didn't have one, you taught me to love when people didn't deserve it and you taught me how to forgive and I thank you for that! My turn, I'll help you get through this. Love you Lil mama! REST IN PARADISE ❤️
