Brent and I were so shocked and saddened to hear about Darren's passing. We knew each other for several years back in the "80's and he was a part of our "Apartment 55 family". Although we had lost touch for a while we still considered him to be a dear friend. Our condolences to all of his family.

I worked with Darren for many years and I always loved when I had the chance to speak with him. Down to earth guy I could talk to for hours. I will always remember his "Ye'lllow" when he answered the phone! Great man, hard worker and great set of morals. Darren was a class act. Deeply saddened by this news. The world feels a little bit colder now. Hope he's up there doing a donut with that checkered flag! - Doug Kwitkowski
