Hal Melvin Thoreson

DEC 12, 1927 - SEP 23, 2022

Hal Melvin Thoreson passed away on September 23rd 2022 at the age of 94. He was born in Utah on December 12th 1927 to Harold and Mary Ann Thoreson. He was a loving, caring Husband, Dad, Grandpa, Great & Great- Great-Grandpa.

He married Wilma Louise Jefferson on December 26th 1946. Together they had 3 children Mickee Lee, Michal Lin & Hal Marc. He worked for Safeway Grocery until 2006 as a store manager. After Safeway he went to Salt Lake community college to study small engine repair. His hobbies were fishing, hunting, carving gun stocks, and spending time with his family. He loved our whole family dinners!

Dad was always there for anyone who needed help whether it be plumbing or car repairs, fixing something broken or just building something. You might say he was a jack of all trades. He also was a great listener, Hal was loved by all who met Him.

Would like to THANK the staff at Alpine Meadow Rehab & Care Center for all their love and great care they gave and showed our Dad. Many of you went above and beyond what you needed to do in caring for him. He loved and considered you all family! Can't Thank You enough. Would also like to thank his grandson Mikul for all he did for his Grandpa!

Hal is survived by his wife Wilma (Redhead) Thoreson, daughters, Mickee (Bob) Perrine, Michal Yano, son, Marc (Maryann) Thoreson, nephew Jerry (Shelly) Reimann sister Sharon Bingham, grandchildren, great & great-great-grandchildren. Preceded in death by son-in-law, Richard Yano.

Dad you truly will be missed but thank you for all the great memories!!!!

Services will be held privately at a later date.

I spent many years working with Hal at Safeway. He was a great employee. Fun to work with. I considered him one of my best employees. i could always depend on him to get the job done right. Sorry for your loss. He was a good example for his kids his and grandkids of hard work and dependability.Dick Smith

To the Thoreson family. I always loved Hal. When I became friends of the family so many years ago, he treated me just like one of the family. The "Mary sit on the floor" in the car, warms my heart every time I think of it. I especially appreciate the attendance of him and Myke at my sisters funeral. That's the way he was, always where he was needed. I love and miss the Thoreson family and pray that the comforting spirit be with you at this sad time. Rest in peace Hal.

What a wonderful uncle it was a joy to listen to him talk and tell jokes . When I was around him always a smile on his face . Saw the Beatles on the Ed Sullivan Show at his house with my cousins . The world was a better place while he was in it. Great memories till the day I die, Rest In Peace Uncle Hal.

Uncle Hal. How you will be missed. To this day some of the best times of my life have been when my family would go back every October and spend time with your family while dad went hunting with you. Watching you guys drive in with your deers, hanging them on the swings in the backyard and cleaning them up. We have family film of this. There was the time we all went camping after you were done hunting. I will never forget waking up in a beautiful campground covered in fall leaves, to the sound of you singing Oh What a Beautiful Morning at the top of your voice, while you cooked pancakes for us. The time you, dad, mom and Aunt Willie came home from a night out with Halloween masks on and scared all of us. Or the time you all came to visit us in Apple Valley. You, Willie, dad and mom came home from a night out at the Apple Valley Inn. You and dad decided you would take the horse in the pool for a swim. What a night! Many more memories but mostly what I will remember is your kindness, your laugh and your incredible hospitality. Rest well Hal. Till we all meet again. Sending so much love and prayers to Willie, Mickee, Michael, Marc and the rest of your family.

Mickee, I never knew your dad but if he is half as a wonderful person that you are, he was an awesome guy. May memories of him help in your grieving process. Love you.
