Celia(Sally)Emily Heiner

I have passed and gone to see those loved ones that departed before me and await my arrival. They have waited for a long time, but I am joyful and at peace with them and with my Father in Heaven. I know my husband, daughters, and all my family will grieve at my departure. But if I could, I would tell them to rejoice and be exceedingly glad for the place in which I now dwell now surpasses all earthly understanding. I am truly in a place of great joy and happiness. I will watch over you all and await the moment when we will be together again. Do not cry for the short time we will be apart. Instead, rejoice for the eternity we will spend together.

Celia (Sally) Emily (Miera) Heiner

On October 17 2022 Sally Heiner, a loving wife and mother and grandmother, passed away at the age of 70. Daughter to Jose Alfredo Miera and Guadalupe (Lupe) Sofia Albo Miera in Pueblo, Colorado. Sally graduated from Ben Lomond High School, Class of 1970, in Ogden, Utah. Sally attended Weber State University. Sally met her best friend, Douglas Heiner, and they got married on December 21, 1973. They have been married for 48 years. They have two beautiful daughters and ten grandchildren.

Sally loved to make porcelain dolls; she was very artful in making their faces look real. She loved to do crafts and always had something amazing that she was working on or creating. Sally was an amazing cook, but her biggest accomplishment was her family. She loved being a wife, mother and a grandmother, she loved spending time with her grandchildren doing crafts and making them delicious treats.

Sally was blessed to come from a big family as she often was a kind and loving role model. Sally loved the gospel and was active in church until she could not participate anymore due to health.

Sally Wetz's not sure how our crazy nicknames came about. I am sure that YOU were an amazing sister. I learned so much from you, how to cook, crafts. I loved our walks we would take, then sneak over to Farr's ice for a treat. Sissy my heart hurts so much. I know you're with our Heavenly Father. Plus Mom & Pops, Johnny, Mikey & Angelique, that brings some comfort. Sally you were a wonderful big sister to me and I always felt your love. Rest in Peace Sissy, I pray you have peace, joy and comfort. I Love You, Niner

I remember when Sally started making her beautiful porcelain dolls! They were gorgeous, even though that isn't my 'cup of tea' I know she was an amazing artist and had one or two kilns in the basement for baking the greenware. Steve and I were visiting one afternoon and she mentioned that she had some unpainted ceramic Christmas ornaments that she wasn't doing anything with and asked if Steve and I would like them? I happily agreed and painted them by hand, antiquing them, varnishing them, so that they would last over time, and they have!! That was more than 35 years ago and we still use them for our tree every Christmas. Every time I see them, it reminds me of Sally and her generosity of sharing them with us when we didn't have a lot. They will be on our tree again this year... thank you for the memories Sally! We love you and will see you on the next level in the next round.
