Jordan Edward Joseph Corbett

SEP 12, 1996 - OCT 28, 2022

On the morning of October 28, Jordan Edward Joseph Corbett, 26, lost his battle with depression and chose to take his own life. He left behind his soul mate, Natalie Kirkham and his two beautiful children Kattow and Elliana Corbett, along with countless family members and friends who cared for him deeply. Anyone who knew Jordan would agree that he was extremely loyal and would move mountains for those he loved. Although Jordan had been struggling with his mental health for some time, he was always there for others when they needed him. He had a deep connection with nature, spent most of his time outside and had a love for all animals. Most of all, his dogs Zoey and Luna.

Jordan was born September 12th 1996, in Salt Lake City and grew up in Midvale, Utah. He worked as a carpenter for The Finish Guys. He loved to work with his hands and could build almost anything. From a young age, Jordan's curiosity of life drove him to experiment with how things worked, often taking things apart and putting them back together. He could be stubborn at times but he made friends easily and was always the first to assist whenever needed. He loved to fish, camp, hunt, boat, and all things outdoors. Most importantly, he loved to do so at his second home, "The Gorge" in Manila, Utah. He was a loving father to his two children, guiding them through life and seeing the world through their eyes. A few things Jordan loved and enjoyed doing; The Boston Celtics, The Boston Red Sox, riding horses and tote-gote's with his grandpa, teaching loved ones how to fish, making Natalie laugh, collecting chicken eggs, and jumping on the trampoline with his kids.

Jordan is preceded in death by his mother, Kelli Smith; and his best friend Anthony Whitaker. Jordan is survived by his son Kattow Edward Jax Corbett, 7, and daughter Elliana Star Corbett, 1; his loving partner and mother of his children, Natalie Kirkham; his father Joseph Corbett; step father Terry Harrison; his grandparents, Edward and Kathi Corbett; Jim Oldfield and Maralene Murano; siblings Noelle, Megann, Rory and Abee; his aunts, uncles, nieces, nephews, cousins, best friend and brother Christian, and many more friends.

My eyes filled up with tears as I heard the news. It never occurred to me how much I could lose. I find myself wishing that it wasn't real. Every time I think about it, pain is all I can feel. Tears fall from my eyes; I can barely see, But my heart tells me that he'll always be with me. I'm glad he feels no pain now; he lives in a perfect land. I can still feel the soft touch on my shoulder of his loving hand. I lie in bed and cry at night, And I don't feel any better in the morning light. I will love and miss him forever, Until the day we are again together. Together in that perfect place above, Filled with caring, sharing, and love, But until that day comes-- I will wipe my tears away And hope to see him again someday. I love you cuddy my soul is not OK..xoxox
