We are so sorry for your loss. We feel so grateful for the home you all provided while we were building our house. You made us part of your family and I can still picture Sally perched at the breakfast bar ooohing and ahhhhing over the meals I cooked. I can still hear her piano playing and see her in her sunny spot in the house on a Saturday morning. Bless her and all of you! Love, Kevin, Kim, Mason, and Bella (our dog she loved who passed in June)
