Earl Coleman Henrie

MAY 7, 1950 - DEC 2, 2022

Earl Coleman Henrie passed away December 2, 2022 at the age of 72 due to complications from both liver failure and Alzheimer's disease.

Earl was born May 7, 1950 to Ellis Daniel and Louise Walton Henrie in Kimberly, British Columbia, Canada. He was the third of seven children. He was raised in both British Columbia and Alberta, Canada. After graduating from high school, he served a full-time mission for The Church of Jesus Christ of Latter-day Saints in the California North Mission.

He attended BYU in Provo, Utah where he earned a Bachelor of Science Degree in Animal Science and met his wife, Mary Lu Harris. The two were married in the Provo temple on November 21, 1975 and went on to raise six children. They lived in several places, but raised their family primarily in Lehi, Utah and in Tremonton, Utah. Earl held many jobs throughout his life, but his longest career was in quality control with ATK as a non-destructive technician. After retirement, Earl and Mary built a home and settled in North Ogden, Utah.

Earl had many hobbies and interests, and found great joy in spending time with his family. He could often be found playing a family card game, tinkering on an engine, gardening, teaching his kids how to ski and swim, jumping on the trampoline with both his kids and grandkids, or baking homemade bread. His excitement for fun was contagious; it wasn't uncommon for neighbor kids to come over to ask to join in while he was leading the activity! He spent his married life in the United States, but nurtured relationships with all of his family and loved going back home to Canada often to enjoy many reunions and adventures with his parents, siblings, and large extended family. Family was always his priority. Earl had a gentle spirit and his family rarely remembers times where he raised his voice, used harsh language, or got angry.

Mary P Walton posted:

My husband, David Walton, is Earl's cousin. He was also his roommate at BYU and a missionary companion for awhile. And I knew Mary Lu back at BYU because we were in the same ward and neighbors. So we were excited to hear that they had found each other and were being married. Because we lived in British Columbia, we didn't see them very often. Once in awhile at a family reunion, or if we stopped by for a visit. The last couple of years after we moved to Utah, we had more visits. It was good to catch up with Earl and hear about his family. He's a good man and he and my husband are able to have even better visits together now.

Earl was a great scout leader and neighbor. He was always kind and inviting to me and the other young men in the Lehi neighborhood. He was a good example and a great teacher. Sending our thoughts and prayers to the Henrie family at this time. Joel Gardiner
