NOV 8, 1953 - DEC 10, 2022

Donald Lee Allen passed away December 10, 2022, surrounded by his loving family. He was born November 8, 1953, in Torrance, California, to Earl Venar Allen and Peggy Jeanne Zimmerman Allen. He grew up in Draper and Sandy, Utah. Don married Jeanette Stephens on May 14, 1977. They had two children – Stephen Donald and Heidi Jeanne.

During his life, Don had various jobs. These included working on a mink farm, brick mason, and building portable base pads in Vernal for oil field pumps. He drove dump truck for his Dad's business, Earl's Trucking, then moved on to driving for Link Trucking. When they sold out to Godfrey Trucking, he continued driving for them hauling containers - including doubles and triples – across the country. He retired in 2017 due to his health.

He enjoyed hunting, fishing, camping, golfing, bowling, skiing, gardening, and woodworking. He was especially talented at that and made many beautiful projects. Don was predeceased by his father, Earl, and his brother, David.

He was my loving older brother who taught me several things. Jumping off the roof of the house in Draper and telling me to roll when I hit the ground comes to mind. When I hit the ground, rolling wasn't an option. We told mom I fell out of the tree. He saddled my horse so i could play cowboy and indians and let me drag state street, back in the day, with his really fast, big truck. He was always willing to help family and friends and made beautiful things out of wood. He was a man of great talent. I love and miss you, dear brother. Run with the angels.
