Danny Max Glover, born on March 4, 1953, passed away on December 15, 2022 at the age of 69.

Danny was preceded in death by his mother and father (Betty and Max Glover), and a daughter (Bridgett).

He leaves behind his beloved grandchildren (Samantha, Sadee, Maureasa, EmaLee, Ozzy, and Teal, who he absolutely adored, as well as four great grandchildren. He also leaves behind two broken-hearted daughters, Summer and Shelyce, who loved him for who he was and miss his silly sense of humor. Danny also leaves behind a dear friend and room-mate Faye and their six kitties, his brothers Drew, David, and Dale, and his sister Diana.

Although Danny lived longer than he ever thought he would, he still wished he had more time to spend with his family, especially his daughters.

No services will be held.
