I remember when Bonnie was a baby and Linda was such a good mother to her. She came to see me in my classroom at Mountain View Junior High in Orem. Linda was so beautiful that day. She spent time telling me about how much she loved Bonnie and her plans for the future. I'm sure that she will always be watching over Bonnie and her family.

Linda was always interested in visiting with people and getting to know them better. She was very outgoing and often had a smile on her face. We had the joy of sharing four precious granddaughters together!
