Karen Lee Parkinson

APR 7, 1956 - DEC 11, 2022

With heavy hearts, we said our farewells to a loving wife, mother, sister and friend, who

passed away of natural causes, December 11, 2022.

Born April 7, 1956 in Salt Lake City, Utah to Edward W. Graham and Dorothy C. Graham.

Karen arrived just a few minutes before her identical twin Sharon, and the two blonde

haired, blue eyed cuties completed our family!

Karen graduated from West High school and later met and married, her sweetheart, David Parkinson.

Together they blended their families, Jennifer, Toni, Michael, Erin and Heather.

Karen is survived by her husband Dave, a son; Michael, and daughters, Jennifer, Erin Heather, and ten much loved grandchildren. Her brother; Steve Graham (Shannon), sisters; Sue Hansard, and Cindy Szugye (Paul), and many nieces and nephews. Her dear lifelong friend, Julie Amador, whom she loved as a sister.

She was preceded in death by her parents, her son; Toni, brother; Michael, twin sister;

Sharon and in-laws; Dale and Zona Parkinson.

Karens wishes were to be cremated, and a celebration of her life will be held at a later date.

Karen was always a "sparkplug" kind of person! Life was never dull when she was around!! joined the family when she and Sharon were 4... She entertained us all for years and years! Praying she can continue to be a light in Heaven--joining her Mom and Dad, Michael, Sharon and all the others --too many to mention. Rest in Peace beautiful one!

We send Dave and the Parkinson family our love and condolences at this difficult time. Our daughters have such happy and fun memories of this special and beautiful lady. When they were children they loved to go visit Karen. She was always fun to visit. She enjoyed playing with them and she always had special treats. She truly had a special way of making you feel you really meant the world to her. She was considerate and kind and reached out to you in any way she could. Even though we are saddened by her loss she is in a happy place with her beloved Tony by her side. Dear Karen we love you! ❤️
