Mark Workman Davis

JAN 1, 1954 - JAN 22, 2023

Mark Workman Davis, 69, of Pleasant Grove, Utah, passed away Sunday, January 22, 2023.

Mark was born January 1, 1954 in Vernal, Utah to George Careless Davis and Florence Ella Workman. He was the youngest of five children. The family moved to West Sacramento, California in November 1955. Mark attended Evergreen Elementary School. The Family moved to Rosemont Village on the East Side of Sacramento in 1967 where Mark graduated from Hiram Johnson High School. He married in 1982; however, they were later divorced. Mark moved to Pleasant Grove, Utah in 2002. After High School he received training in auto mechanics and computer technology. He provided computer support for Raley's Grocery Stores and later for car dealerships in the Sacramento valley area. He worked for a sign company supporting their printer that printed large vinyl signs. After moving to Utah he purchased a franchise with Computer Medics and had his own computer repair business. As he approached retirement age to the time of his passing he worked for O'Reilly Auto Parts in Pleasant Grove where he loved his fellow workers and the commercial customers he served.

Mark was a faithful member of the Church of Jesus Christ of Latter-day Saints. He served in various callings throughout his life and loved the members of the American Fork 30th Ward where he and his older sister Leah were members for several years. He and Leah helped each other after she retired. Leah moved to Utah where they lived together. He took loving care of her until she moved back to California to live with her daughter.

Mark was very service oriented and made friends wherever he went. People just seemed to automatically become his friend. He loved his family more than anything and we have been so blessed to have him here to share in family dinners and activities.

I remember in the summer of 1964, I was staying with the Davis family at the Travel Lodge having the time of my life learning how to answer the old fashioned telephone system. Mark and I had chores to do, and then we would go across the street to the bowling alley and order French fries with lots of salt. He was adorable with his big smile and happy eyes. I smiled when I saw his photo. Sorry you are gone so soon! Save a place for me and we'll have fries and with lots of salt and catch up! Much love! Thanks for the memories! Love, Talitha Workman Day

I already miss my ministering companion of the last 10 years. He was a wonderful companion and great to be around. We have lost a great friend and ward member. He also did some computer work for me and I will miss his service with our computers. Rest in peace good brother. Harry Gammon

I always enjoyed playing golf with Mark and talking about the local sports teams and sports stars. It something that he always followed and liked. I could always count on getting my talking about sports fix whenever Mark was around. We both enjoyed sports. It was sad to hear of his passing and he will be missed by many, but I'm sure a happily reunion took place upon his arrival on the other side. Can't wait till we meet again . Your cousin Ray Workman.
