Jenny Lynn Webster

APR 14, 1955 - JAN 28, 2023

Jenny Lynn Webster of Eagle Mountain passed away peacefully on January 28, 2023, at the age of 67, from the effects of Lewy Body Dementia surrounded by family. Jenny was born in San Pedro, California on April 14, 1955, to Merrill and Frances Bickmore as the fourth of five children. She spent her early years in the Hollywood Riviera neighborhood of Torrance, California and later moved with her family to Palos Verdes Estates. After graduating from Palos Verdes High School in 1973 she enrolled in classes at Harbor College.

It was while she was working at Carson Toyota that she met her future husband, Charles Webster. Jenny and Charlie were married in November 1978 and made their home in South Torrance for the next 40 years. Jenny was a devoted mother to her five children and a lifelong member of The Church of Jesus Christ of Latter-day Saints. Over the years she served in a variety of volunteer positions in the church, serving in the Primary, Young Women's, and Relief Society organizations. In addition to this, Jenny was also active in the PTA as well as helped out in her children's classes when they attended elementary school.

While raising her children, Jenny worked as a bookkeeper throughout the years for both a sorority and a plumbing distributor. She also baked and sold her famous Lemon Cake and other items at Mrs. Santa's Cupboard Boutique that was started by her mother. After her children were all in school, Jenny re-entered the workforce and worked for Weight Watchers in both Torrance and Manhattan Beach for nearly 20 years. Prior to her retiring from Weight Watchers, she was the Center Coordinator/Manager for the Manhattan Beach location.

Jenny and Charlie retired in 2018 and relocated from Southern California to Eagle Mountain, Utah to be closer to more of their family. It was while living there that Jenny received the devastating diagnosis initially of Early-Onset Alzheimer's, and later of Lewy Body Dementia.

We were so saddened to hear of Jenny's passing. She was a lovely friend and mother. Our daughter went to school with Blake and we got to know her then. She was always so fun and snappy. Loved going to her mother's Christmas Boutiques and buying some of Jenny's wonderful Lemon Cake! Our deepest condolences to her family. Otto and Sherry Scholl

I'm sorry to hear of the passing of Jenny. What a lovely woman she was. We were the same age and got to know each other by attending the Church of Jesus Christ of Latter-day Saints together. In my teens, I always had fun shopping and it was so nice to see Jenny behind the counter at the Bullock's Department Store at the Del Amo Mall. She always had a nice smile for me. Maybe Jenny had an innate talent for dressing and design or she learned it at the store but she always was the best dressed person in the room. Our children attended high school together and Seminary and I could tell the love and happiness her family brought her. I knew her parents and some of her siblings and I was always impressed with the love and respect they had for one another. Sending my sympathies to the Webster and Bickmore families.
