Donald Calvin Moss

NOV 6, 1951 - FEB 7, 2023

Donald Calvin Moss passed away peacefully February 7th, 2023 surrounded by his loving family. Although our hearts are broken, he had suffered long enough from dementia and many health problems.

Don was born November 6th, 1951 to Calvin and Sylvia Worsley Moss. He grew up in North Salt Lake, hiking and exploring the nearby mountains that he loved. Don was a lover of old things and spent the happiest times of his life exploring the history of Utah, gathering rocks and enjoying the outdoors. He graduated from Viewmont High School. He was a structural steel designer by profession and Co-owner of Advanced Steel Design.

Don had 2 children, with Michelle Wintch, Eric and Katie, that he loved dearly, and 3 grandsons that he adored so much.

Reuniting with his high school sweetheart, he married Chris [Weese] Mooney in 2012. They spent precious time together exploring and traveling. Don loved her 4 children and gained 4 more grandsons.

Don is survived by his loving wife, Chris, Children: Eric Moss, Katie (Brandon) Francis, and their 3 boys Connor, Colton, and Jace. Michelle (Rob) Rodeback and their sons Jackson, and Josh, Greg (Susan) Mooney and their sons Zach and Cameron, Brett Mooney, Tyler Mooney. I remember Don so well while I was growing up in Centerville. When his parents came to visit our grandparents, we happily explored. He was so much fun to hang around with, always finding ways to have fun. Donnie convinced us to catch tiny little frogs in the pond (which we later let go), and showed us how to swing off the hay bales on a cable, through the barn door and drop on the loose hay on the bottom. It was always something new. I always thought him one of my most handsome cousins! Although I rarely saw him after that, I did see him again in 2015 at my father's funeral, where we chatted and he introduced me to his wife. Although I may not have seen him hardly at all, I'm very sad to hear of his death. It will be a poorer world for not having him in it.
