JUL 13, 1969 - FEB 12, 2023

In loving memory of John William Rasmussen, born to John and Diane Rasmussen on July 13, 1969 in Camp Kue, Okinawa. He passed away in his home in Kearns February 12, 2023. John grew up in Rose Park. He was a graduate of West High School. He was a veteran who served in the US Army in a linguistics unit where he learned Russian. John was an Elder in the LDS church and served a mission in the Philippines where he also learned Tagalog. He had a very big heart and was an amazing son, brother, uncle, and friend.

He loved his work serving senior citizens with insurance and helping them with financial planning for their end-of-life needs. He also enjoyed working for Dominoes Pizza.

John enjoyed watching sports. He was an avid Steeler's fan and always spent Super bowl Sunday with his friends. He attended the U of U women's gymnastics and always had a spare seat available for his nieces. He also loved to attend dance and gymnastics events of his nieces and loved spending time with his nieces and nephews.

John loved to play a variety of games, watch movies, and participated in a bowling league. He loved to share his hobbies with his friends and family.

He was sweet and loving, someone to look up to and someone you always wanted to be around. He always loved spending time with family and friends whether it was just getting a bite to eat, watching a movie, or playing games.

He is survived by his parents, John and Diane Rasmussen, sisters Rebecca (Kiesh Easterwood) Rasmussen, Kara (Brandon) McGee, and Annie Tomas Higa as well as nieces, nephews, grand-nieces, and grand-nephews.

It is getting to be almost 2 years now that John has passed on time sure moves fast. I met John at a Lan party at Chad Fernley's house many years ago we played Command and Conquer and Warcraft on the computers and it was the best times to be had. I spent many hours in the movie theaters with John for a while I had a great deal for him. A free movie just had to buy a concession. I miss those days.

I first met John while working at Harland Clarke. We needed someone new to add to our team and I was helping with the interviewing. John just had a way with talking and knew he would be great for our team. We talked and watched football together. He was a Steelers fan and I was Chiefs. At one point we started a T-shirt business although it didn't sell much. He also did my taxes when it came to tax time and always gave me friends and family discount. I left Harland to start a career in IT so I didn't see much of John after that. Last Text I had was in August where he wanted me to help write a program for him. We never did. I regret not spending more time as John was a really good friend. I will greatly miss him.

John, my friend, my brother. You have left this life and returned home to a joyous and loving reunion. May you go about your work diligently. I pray that you will continue to watch over each of us as we continue on this experience of our own. You may not be finding the best places to eat anymore but I'm sure you are looking forward to helping each of us as our time comes to join you again. You are loved and missed.

Johnny always loved doing events and activities with his family. Here's a picture of us enjoying the Tower of Terror ride in Disneyland.
