I'm so sorry for all of Marge's family. She was such a lovely person. I loved the fact that I referred to her as my second mom, and she referred to me as her fourth daughter. She will always be in my heart.

Woo and I were 1st cousins and grew up together. I was a year older so we were more like sisters. Oh the memories we shared when we would get together. We had a group of gals who were best friends and did we ever have some good times growing up in Gautier. In fact Woo was the only one to leave our little community. Teenie, Judy, JoAnn and Gaynell are still here and we just want the family to know our thoughts and prayers are with you. We didn't see Woo very often after she married but we loved her and we have our sweet memories. God bless all of you. Gaynell
