Jana Hadley Roberts

JAN 24, 1962 - APR 6, 2023

Jana Hadley Roberts returned to her Heavenly Father on Thursday, April 6, 2023, surrounded by friends and loving family. Jana was born January 24, 1962 in Ogden, Utah and lived there most of her life. She graduated from Ben Lomond High School and attended Southern Utah State University. Jana served a mission for the Church of Jesus Christ of Latter-day Saints in Canada. In 2002 she met and married the love of her life, Randy, and they were later sealed in the Temple. She loved being a member of the Church and served faithfully in the Relief Society, including as Counsellor and President; in the Young Women's Organization; and in the Primary. In fact, Jana's entire life was one of service and love. From the time she was old enough to babysit, Jana was a favorite of parents and children alike. She was always in high demand and loved the families she worked with. Jana knew how to love everyone unconditionally and whole-heartedly. Almost everyone she came into contact with became a dear friend or adopted family member. Her love was not only through words. She spent many, many hours serving others, usually without being asked. A typical day might find her helping someone to move in the morning, working on a baby quilt or afghan for someone while texting or phoning words of comfort to a fellow cancer patient in the afternoon, and then making and taking a meal to someone else in the evening. She was tireless in her service and unceasing in her loyalty and love. She was a wonderful example to all who knew her and modestly brushed off praise, feeling she was only showing her bountiful love for all. Jana was preceded in death by her parents, Robert Hadley and Joe Ann Allen Hadley, two brothers, James Terry Hadley and Darren Alan Hadley, and an infant son, Quinton. She is survived by her beloved husband, Randy Roberts, and four precious children: Darbie (Chris) Snoke, Bo Roberts, Brittany (Jess) Jessen, and Sean Roberts; ten cherished grandchildren; and a super sweet great-grandson; also three siblings, Christie (Manuel) Legua, Robert (Laurie) Hadley; and Becky Jacobson. She also has

an army of nieces and nephews who she adored, and who love her very much. Jana loved to crochet and make other beautiful gifts for people. She loved camping with her family at Sourdough, and every kind of family get-together. Jana will be missed by all who knew her, but we know that she will continue to watch over us and do whatever she can to help us from the other side of the veil.

In lieu of flowers, the family asks that donations be made to Primary Children's Hospital. The viewing will be on April 12 at 113 Childs Ave. from 9:00-11:30; funeral services will begin at 12:00; followed by internment at Myers Evergreen Memorial Park

I met Jana when her bonus daughter Britt's bio mom started dating my son's bio father and she became one of my dearest friends since I started to tend our lilz (Stevie and Theodore) so at first their mommy could sleep cause she worked nights! Jana we had so many great conversations and I enjoyed our daily text sessions that sometimes would last till one of us fell asleep! You always told me how much you appreciated me for loving the lilz and Britt as much as I do! Our friendship meant the world to me! You are already sorely missed already and I don't see it hurting less any time soon! You were an amazing grandma, mom, wife, daughter, auntie, cousin, sister, and friends to everyone! I am going to miss our text sessions we had letting each other know when Randy was either picking up or dropping off Theodore that turned into hours of conversation about anything and everything! When you got sick up until two days before you were admitted into the hospital and passed you never wanted anyone to know that things were anything less than great! I love and miss you my friend and I know you have hugged everyone in your life non stop since you left your body! You are in no more pain and are able to watch over us all and I'm grateful to know we will meet again someday!! FLY HIGH MY BEAUTIFUL SWEET GUARDIAN ANGEL FRIEND! MAY YOU SEE HOW LOVED YOU ARE AND I HOPE YOU KNOW HOW GRATEFUL I AM YOU WERE IN MY LIFE!! READY IN PARADISE FOR ALWAYS AND FOREVER!!!!

Jana and her wonderful family lived next door to my parents, on cook street in Ogden . She became sweet friends with my younger sister Teana, and that friendship has lasted all these years, through hard things and wonderful things. Over the years Jana and her Mom Jo included us all in the warmth of their friendship. Jana was one of my Dads favorite people, they connected, as she did with most everyone she met. She will be missed for sure and I am eternally grateful that she was part of my life, she was a blessing to so many 💜. TILL WE MEET AGAIN DEAR FRIEND 💜

Jana and I met at IRS she always made work a happy environment. She always had a smile on her face and if you ever needed help or just needed a friend she was the first person there to help. Jana's and I would take her daughter Darbie and my daughter down to SLC and go do things at parks or doing other things together. We always had such a great time together. We could go years not seeing each other due to me moving out of state but when my first grandson was born boy she was right there at a party we had. Easter was always a great time my mom's favorite holiday and she would go all out for it and boy was it fun having her join in. I love you Jana thank you for giving me the honor of being your friend. You will be missed my friend and until we meet again you will always be in my heart. Your family will be on my prayers.

To Jana's family, I've known this sweet lady for probably her whole life. Our parents were friends and we spent many hours laughing and playing together as children. We reconnected at IRS and our loving friendship was as though we had never been apart. Her example of kindness and unconditional love will remain in my heart and mind forever. I'm sorry for your loss and hope you find the peace that the gospel brings. Much love, Margo Stokes Loftus

I have a fond memory of Jana. When I was off work with my broken foot Peggy and I were staying with friends in Perry. I usually got my workman's comp check every Friday morning at the Ben Lomond Post office. One Friday my check didn't come and I didn't have enough gas to go to Perry and back the next day. I posted on Facebook my situation and Jana showed up in about 10 minutes. She handed my \$40.00 and asked if that would help or if I needed more. That was more than enough and I never forgot her act of kindness. She will truly be missed ❤️

I didn't get the chance to meet Jana in person. I came to know her through Facebook, though I went to school with her sister Becky. Jana was love personified on Facebook, and faced her health challenges with courage and dignity. I know that she will still reach out with love to those on this side of the veil, but I also know that she is rejoicing to once again embrace her young son, and embrace those who have gone before her. I will tell her friends and family "be aware - she will send you signs. She's so much closer than you realize!"
