Brandon Tino Hernandez

SEP 1, 1973 - APR 6, 2023

Our loving son, brother & friend Brandon Tino Hernandez, passed away April 6th, 2023 in the late evening.

Brandon was born in Logan, Utah September 1st, 1973. He was one of the cutest little boys you'd ever seen, especially when eating chips and salsa with his Grandma Smith.

At age 18 he decided to find his passion. He traveled the states living in Texas, California and Indiana. He received his associates degree from the university of Indiana in medical coding.

Brandon enjoyed 80's music, horror movies, collecting nostalgic items and all things Superman. Brandon enjoyed holidays and large family gatherings, a born host. He lived his life as a firm believer in YOLO (you only live once). He was always the life of the party. The creativity and style of Brandon left us in aww.

He would come by almost every morning to have coffee with his mother to tell her the stories of his recent escapades. Bringing her little gifts such as, stuffed animals, mini ceramic animals and anything that made him think of her.

The loss of his presence in our lives is devastatingly heartbreaking to our family.

Brandon's survived by his mother, Camille S. Hernandez; his siblings Bill Hernandez, Ben Hernandez, Sarah Greer and many other family and friends. Brandon is preceded in death by his father, Juventino Hernandez; grandparents Pedro Hernandez, Bill Smith and Hilda Smith.

I hadn't seen Brandon for a few years, but I will cherish the time we got to spend together, when he lived around the corner as adults, and our shenanigans as children and teenagers. Always quick with the wit and our shared sarcasm, he'd crack me up. He was so generous and thoughtful, if he saw something that reminded him of his loved ones, he'd buy it as a gift, for no reason at all. I'll miss you friend and cousin and will forever think of you when I hear the Beatles, Simon and Garfunkel, 80's alternative music or see anything Superman. #supermandez
