My name is Curtis Michelson-Taylor. I met Teresa and Brenda in Muscoy California. We had some fun times together. This is the first I heard of her passing, I was wondering what happened to her! She was a fun, and caring person, and I will miss her! Rip my friend and love to the family!

We became FB friends years ago and shared our love for dogs. She took Riley for a walk every day. I am so sorry to hear she passed and so young. Rest in peace in a better world.

Teresa was shy but once you got to meet her she was a true friend who could talk for hours with you. I sure enjoyed working with her. We had the opportunity to go to lunch everyday and had some good conversations. She loved her dogs and took them out everyday for a walk before coming to work. She spoiled her dogs with the best of treats. She loved you Gary. She talked highly of you often. May you go through life with all of your memories of your mother and smile at those memories. R. I. P. My dear friend you will be missed dearly.

Teresa was very shy and kept to herself in high school, but I considered her a friend. She was always nice and never had a bad thing to say about anyone.
