Lisa Phillips Castillo

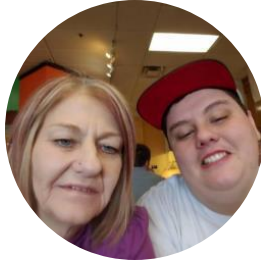

MAY 24, 1963 - APR 27, 2023

Lisa Phillips Castillo was born May 24, 1963 in Chico, California to Wendy Diana Cooper and Eber Ernest Phillips.

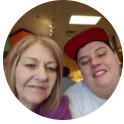

Lisa was a people person and enjoyed talking to people. This made her great at working as a waitress.

She is survived by her husband, Tony Castillo; mother, Wendy Diana Cooper; sister, Tonia Randall; brother, Dirk Phillips; and sister, Michelle Garcia.

She is preceded in death by her son, Devan; father, Eber Ernest Phillips; step-father, Ron Cooper; father-in-law, Lupe Castillo; and mother-in-law, Virginia Velasquez.

Lisa will be deeply missed, including by her dog Bella (woof woof). Her son, Devan, will welcome her with open arms as he needed her more than we did.

"Till we meet again, hugs and kisses" - Tony Castillo

Just out of the blue I was thinking about you and I miss you so much. I know you are in a better place with Tony, Devon and Dad but sometimes I really just want to talk to you and I waited too long. Something I will regret for the rest of my days. I love you all so much sometimes it hurts. Rest in peace my dear sister.

Well sis it's your birthday today. I have been thinking about you a lot lately. In quiet moments I can hear your voice and it breaks my heart all over again. I know you are safe and healthy and happy in the loving arms of your son and husband. I miss you guys so much. Give them and Dad a huge hug from me and I'll see you again someday. Love you guys with all my broken heart. Tania (Auntie)

hey sis, been thinking about you and my nephew alot today, im so grateful that this is a way to express my thoughts even though it seems silly at the same time...i want to express how incredibly sorry and ashamed i am that neither one of you have been celebrated by this family, it deeply hurts and angers me, i guess i just want both of you to know that you are missed and thought of on a daily basis by at least 3 people that were very important to you, me, bella, and that crazy mexican you called dad/husband... You will always be in my heart sis, you to devan, both of your life had so much meaning, but no where near what you meant to each other.... Lisa it was never really determined what was involed in your departure, doesnt really need to be explained, it was the only decision you had the right to make for yourself, and i will always respect the courage and strength it took for you to make it...Love you sis!!!! Love you to nephew!!!! T ill we meet again!!!!
