# Shauna Rae Langford

FEB 17, 1949 - MAY 30, 2023

**O**n May 30, 2023 Shauna Rae Langford passed through the veil, in her home surrounded by her family and friends.

Shauna was born to Searl O. Huish and Thelma S. Singleton in Salt Lake City, Utah on February 17, 1949. She attended Cypress High School in Magna, Utah where she starred as “Bloody Mary” in the musical South Pacific.

Shauna met her sweetheart Robert R. Langford in May 1968. They were Sealed in the Salt Lake temple shortly after on December 6, 1968. They were blessed with 3 sons and 1 daughter. Shaun R. (Rashell) Langford, Tommy S. (Trisha) Langford, Amy T. (Eric) Strong, and Darin G. (Jaren) Langford. Their posterity has grown even further with 15 grandchildren, and 5 great grandchildren, which Shauna loved her grandchildren more than anything else, because they brought her so much joy to be around them.

Shauna had a strong testimony of the Church of Jesus Christ of Latter-day Saints. She served in many various callings, but her favorite was conducting the music during Sacrament Meeting. Since she had a deep love for music because of the spirit it would bring. She always knew the perfect song to sing in any circumstances.

Shauna’s life’s work was of service and love for everyone. She always had a happy positive attitude with a beautiful smile no matter the situation. She was a loving wife, mother, grandmother, and kind friend to everyone she met. She always made you feel loved and welcome. She lived her life to be Christlike in everything she did and said. She truly will be missed.

Shauna worked as a hairdresser, in her home in Bluffdale. She also worked as an intervener in the Murray School District for the Deaf and Blind where she grew a great love for those with disabilities, or less fortunate. This is where she took care of Matthew Robinson. She loved him as her own child and took care of him until he passed in 1999. Later she worked in Bluffdale at Audio Enhancement as a receptionist where she gained even more lifelong friends.

Around 1982 she had her parents move into her home in Bluffdale, so she could help take care of them. She devoted much of her life providing amazing loving care to her parents until they both passed away.

Shauna has a very special soul and a neat spirit about her. She always had something nice to say about everyone and would never want to hurt anyone. She just wanted to spread joy to everyone.

Shauna is survived by her sister Gaylene (Gerald) Clements, and preceded in death by both of her parents Searl and Thelma Huish and her sister "Toby" (Larry) Wilson.

\*Special thanks to her son Shaun, for caring for her until the very end. The family would also like to thank Marcy Rowley, her doctor for over 20 years, and Ana Joos for her tender service to Shauna.

Dear Gaylene,Dave and I send our sympathy and prayers to you and your loved ones. I did not get to know Shauna as well as I should have, but every time i met her or talked to her she was so positive and pleasant. I truly enjoyed the afternoon I spent with her when I interviewed her for the HOA newsletter. You two look so much alike and share so many of the same traits. Find comfort in the knowledge that she is out out of pain and enjoying a wonderful reunion with her husband and other family memebrrs. And, take comfort in the knowledgwe that you will again be together in the future. Mortal ttime seems to go so slow, but eternity will be forever.. Love and peace and coforet be with you.. Our love, Dave and Betty johnason

Shauna moved into our neighborhood about two years ago. It was my privilege to get to know her and wish I had known her long before. She was not well and was fighting one thing or another the entire time she was here. I was so impressed with what a sweet, kind and loving person she was. She always had a smile and a cute little laugh no matter how bad her day was! She was an amazing example of enduring hardships with great strength. What a wonderful lady she was and she will be missed ❤️. She talked so lovingly about her husband who passed away right after moving here. I never got a chance to meet or know him! What a beautiful reunion they are having. My deepest condolences to her family. 🌷🌻📖🌸

Shauna (I called her Grandma), was truly a gentle and kind soul. Her Spirit is so beautiful. I recall when I last saw her in Utah, there she opened her home to me, in complete delight of being so close to her daughter, Amy Strong. A bundle of Amy's good heart was instilled by Shauna. I'm so grateful to have known of her and to be a special witness of her loving and Christlike mannerisms. She will be missed..until we meet again.
