What up Chadwik!?! That's my nick name for him. I met Chadwik from his cuz Lanny (Lambo). And Vic Lynn ( V-Reezy). We had a lot of good times with in in that past couple years. We went seen Tio Mitch and White Boy (Mikey Martinez) a few months ago. That was nice to be apart of since they haven't seen each other in years. Chadwik is a strong person and I want to say he conquered some major demons that were on riding on his back. I told him that I was proud of him and not a lot people can do it. I talked about his kids a lot. He loves them dearly. Chad, u was going through a lot and I always welcomed your company. U will be missed by all. And now u know all the answers. FAITH.Your Brotha. What up Chadwick!?!? That was my nick name for that foolio. We kicked it mostly on weekends, but haven't seen him since Christmas Eve. He came over ate, drank and smoked. We all had a good time time. To be honest he was going through some things with his family- Since Christmas I haven't seen or heard from him. I've called him, text him with no response; asking if he's aight. No response- - He's a good friend and u will be missed Brotha. Some one told me when u passed. "That now u know all the answers". And to be honest I said I hope so. But it's all about faith. And I know u finally know all the answers.Much love Brotha. You will be missed by us all.Your Friend,Ellis Valdez-
