Not going to say to much. Most people that know you know us both. Sometimes things are better left unsaid. Russ was a great friend and mostly looked at people's better attitudes. Got the best from most people he knew. I'll miss you my friend.R.I.P

Russell was one of the best friends anyone could ever have. a very caring person and giving person. I times that me and onther friend we would be at each other's houses from morning to night playing basketball and riding bikes to camping trips it seemed like he was more like a brother than a friend and the three of us to this day are still friends. I can't believe that you are not with us still but you will always be in our hearts my friend.

Russ was a great employee and always did great work and was full of integrity. He was extremely kind hearted and shared the grief of others and was always willing to lend a hand or donate to someone in need. He will be greatly missed at Wilson's Paint and as a friend. May God bless you Russ, Dusty and Cody.

Russell was a great friend, we were childhood friends. We did everything together. We would always go to his house and play basketball with our other friend. The people in our ward would call us the three musketeers because we were always together. I saw him about three months ago at the store and it was like old times. He will be greatly missed.

I remember Russell as the quiet and sweet son of my lifelong friend Diann. She was very proud of him and the decisions he made in his life to be a solid hard working husband, father and son. I'm heart broken that such a good guy was robbed of his life so early. Lynda W Perry
