Harlow Frank Cheney Jr

MAY 18, 1950 - JUL 4, 2023

Harlow Frank Cheney, Jr. was born May 18, 1950, to Harlow Frank Cheney, Sr. and LaRue Heiner Cheney in Burley, ID. He passed away on July 4, 2023, due to complications from kidney failure. Frank attended local Heyburn and Rupert elementary and high schools, then attended Ricks College, BYU, and SLCC before getting it right! Frank took many art classes at Ricks, and many pieces of artwork are hanging in the family home. At BYU, he took dance classes, brought his knowledge back to the Heyburn youth groups, and choreographed a few shows there. He also starred in a 'Hello Dolly' production at the Bountiful Regional Center during his BYU days, utilizing his talents in dance, acting, and singing. He worked in construction with his father, Harlow, at Cheney Construction. He then worked construction with his cousins at Cheney Brothers Construction, building Burger Kings throughout the Intermountain West. He married Carol Cook in 1980; in 1981, he changed careers and worked for the phone company through its many name changes. Frank retired in March of 2023 and enjoyed many leisurely afternoons watching movies, reading books, taking naps, puzzling, and playing solitaire.

Frank is preceded in death by his parents, Harlow and LaRue Cheney, and his younger sister, Sally Cheney. He is survived by his wife, Carol Cook Cheney, daughter Alexis Cheney (Brian Rands), son Nicholas Cheney, sister Pati Reid (Brent), sister Melanie Metzger (Rick), and Long Legs (the cat).

Funeral services will be on Saturday, July 8, 2023, at the Hillcrest 4th Ward, 8735 Harvard Park Drive, Sandy, UT 84094, at 11 am, with a viewing from 9:30-10:30 am. Graveside services will be held at the Sandy City Cemetery.

Roscoe Orton lit a candle in honor of Harlow.

Mother's Day flowers just arrived at the door from one of our children. I put the flowers in a crystal vase given by Frank to Kathy and me for our wedding. The Beautiful vase has stayed with us for fifty- two years. Putting her flowers into the vase he gave us caused me to see if I could find what was happening with Frank and I am saddened to see that a good friend from my youth has passed away. My condolences go to his wife, sisters and children! Roscoe Orton.

We are saddened by Frank's departure. So happy for his glorious opportunities that lie ahead for him. However, our constant thoughts of love and many prayers are for you, Carol and Lexi and Nick. You are in good hands here and now. Our memories of Frank are all filled with his kindness and gentleness and thoughtfulness. How interesting to have his own Independence Day! Much love!

Frank sang "I Need Thee Every Hour" in a quartet at my mission farewell in 1975. He sang with my Dad (Hallie), Harlow, and Thane. I have never forgotten the spirit of that song and often sing it myself when troubled. May the Lord be with the family during this difficult time. Dennis Heiner

I will never forget his choreography for our choir. He was so patient and kind to a person with two left feet! He will be missed so much by our entire ward family. Fred and I wish to express our condolences to the family and our prayers for the comforting touch of the Master that Frank loved so much. His was truly a life well lived.
