Lynn Elmer Gayler

DEC 13, 1939 - JUL 3, 2023

Lynn was born on 12/13/1939 to Elmer LaSalle Gayler and Rachel Joyce Gayler (Roberts). He was the second oldest of 7 children and born and raised in South Salt Lake, Utah. He graduated from Granite High school in 1958 and later the University of Utah where he got a Bachelor's Degree in Mathematics. He met his best friend and spouse, Gail Lynn Minnick, in California where they were involved with kayaking and canoeing clubs. They were married on 9/20/1968 and moved back to Utah, where they raised 4 children: Jeff, Mindy, Penny and April.

He enjoyed all sorts of activities including hunting, fishing, rock climbing, snowmobiling, boating, hiking, horseback riding, Mountain Men Rendezvous... just about anything you could think of under the sun. He raised appaloosa horses and was also involved in an appaloosa club. He built a career in programming, working for Jet Propulsion laboratories, Boeing and later as a contractor for Hill Air force Base.

In his later years, He and Gail bought a cabin in Duchesne County, Ut where they spent most weekends where he enjoyed watching movies, making sourdough pancakes, and getting to go fish with his family and friends. He also enjoyed gardening and was proud of his bountiful garlic harvest every year. He was a fan of getting breakfast. He also owned an abundance of tents, kayaks, chainsaws and tractors. Words will never be enough to describe how incredible of a human being Lynn was, but he will be sorely missed by everyone who had the opportunity to get to know him. He made friends with just about anyone.

He is preceded in death by his parents Elmer Lasalle Gayler, Rachel Joyce Roberts, His sister Karen Raye Gayler, and his Daughter Mindy Gayler. He is
