Mason Christopher Iacono

MAR 20, 1997 - AUG 5, 2023

Mason Christopher Iacono, 26, passed away unexpectedly at Mountain West Medical on August 5th, 2023 at 11:44pm. He was born on March 20th, 1997 in Lakeland, Florida to Eric Scott Iacono and Mindy Lucille Froysland Iacono.

Mason graduated from Hunter High School in 2015, and earned an associate's from SLCC in Engineering. He was also a proud Industrial Maintenance Mechanic at Frito Lay.

In addition to his parents, Mason was survived by his soon to be wife, Rae Erickson, his brothers, Lief Iacono, Christian Iacono, and Cross Iacono. He also had a dog that he loved very much, Hiro Eric Iacono, a cat he was much fond of, Salem Lee Iacono, and a ferret, Kronos Iacono.

Mason had a bright big smile, and took every chance he could to make someone laugh. He was caring and would offer up the shirt off his back to help anyone that needed it. He was intelligent beyond his years, and could do anything he set his mind to. He loved to play pranks on his brothers and friends, and was always the life of the party. His hobbies included playing basketball, football, and playing video games on his PC.

Mason's Celebration of Life is being held on Saturday, August 19th, 2023 at 3:00 pm. It will be at Premier Funeral Home in Midvale, Utah. Those who wish to remember Mason in a special way, may make gifts in his memory to Eric Iacono.

Rest Easy Mason. You are loved to the Moon and back.

Mason you are going to be greatly missed. You are funny, smart, and stubborn all in one. I enjoyed working with you when we had the chance. Your witty and kind with a bellowing laugh. I enjoyed camping and hanging out. Crab boils and party's.

Mason made coming to work a less painful. I remember on some of the worst days thinking, Thank God! You are HERE! He could always make you crack up even when we were down. A special spirit and super smart! Always a guy you can count on! I pray he's watching over us and God has something only Mason can fix up there for him to take him so soon. He no doubt is an Amazing Man because he was raised in an Amazing Family. Till we meet again Brother, Thank You!

I feel so lucky to have had Mason as a friend in my life. Not often do you come across a guy as genuine and loyal. Mason was the kind of guy you want on your side, because he looked out for you like it was natural, and was never afraid to stand up for you if you needed it or not. We were in a group that would constantly make jokes about each other, like good friends do, and I would always get excited to see what was coming next, because if you cant make fun of each other, what else is there? One of my favorite memories of Mason, is when our old work sent us to Iowa for training. He had picked up on some of my crazy food preferences at that point. We ordered food at a restaurant and when they brought our food out, he tells them that there was something wrong with MY order, before I could even say it. We laughed at that one for a while just thinking of what the workers were thinking about him correcting my order. But that circles back on saying that he was always looking out for you. We lost a good one way too soon, and he will for sure be missed by many.

Mason was not only my oldest brother. He was a son. A role model. A friend. A caregiver. Mason was the person you could turn to with whatever you needed. Mason has always been there for his friends and family and would do anything to make sure we were good. Growing up he'd pick on me. But hey what else are brothers for. I'm going to miss him picking on me. Mason was an amazing person with admirable wisdom. I will miss you deeply brother. Rest easy.

Becca Lewis lit a candle in honor of Mason.

Mason and I didn't always get along and we were not very close but he challenged me to think differently and grow. My favorite memory was we were at Kenzie's house in West Jordan, after my relationship to the father of my child ended and he said "Congratulations, I never understood why you were with him." It made me laugh for the first time and made me realize it's ok. He will be missed.

Mason worked on my shift when I ran the filler. He would come over and say oh my gosh Becky what do you want know and we would start laughing and of course he had it fixed in minutes. He is one of the smartest young people I have ever met. A true gentle giant. You may be gone, but you will never be forgotten. Your friend always. Love you brother ❤️
