We came to know Ellen when our Brian married Tara and we are grateful for the unconditional love she showed to her family through all ups and downs. We mourn with her children and the grandchildren we shared with her. We pray for all to know that she is free of pain and resting in the arms of her Savior Jesus Christ.

I remember the times when Ellen would come pick me up and we would go to lunch. She always picked the Sizzler! We loved our lunches & time spent together. I also remember the fun times we spent cleaning houses together, When I first came here from Australia she gave me my first lollie. ( It was a Tootsie Roll Pop) My thoughts and prayers are with Jason & Tara & their families and I am always just a phone call away if you need someone to talk to. I am sad for our loss but happy she is no longer in pain and has been reunited with her family and dear friend Marydell. Love Auntie Barbara

Sending so much love & prayers of peace & comfort to all who knew and loved and will miss my Auntie Ellen!! Auntie Ellen was always quiet and kept to herself but I remember her always being so funny when we would go and visit grandma & grandpa. She always had a little mischievous twinkle in her eyes, just like my dad!! I know she is now free from her earthly physical struggles and is happily reunited & at peace with Gma, Gpa, my dad, Amy, Zoe, & her bestie Marydell. I love you Auntie Ellen!
