Isaac Xavier Chavez

OCT 30, 1984 - AUG 14, 2023

With extreme sadness, we announce the passing of Isaac Chavez, on Monday, August 14, 2023, surrounded by family, at Huntsman Cancer Institute. He was 38. Isaac was born and reared in Ogden Utah. His death was the result of terminal lung cancer. He is now at peace.

Isaac attended Lewis Elementary School, Wahlquist Junior High School, and graduated in 2003 from Weber High School. He also, attended and received certificates from the Weber Applied Technical College (WATC) in Ogden Utah. Isaac did have his vices, that he had to deal with, and as a resourceful and creative person, he faced these challenges the best he knew how. He had his own philosophy of life and lived by it.

As a child Isaac was a little comedian and his quirkiness sense of humor followed him into adulthood. He also, was an inventor, and entrepreneur in his own right. He would find tools to make his inventions, but if there wasn't a tool he needed, he would create one to complete his project, whether it was wood, metal, cloth, rocks, plastic. He loved to find things and objects from any and everywhere, in which he used to create. Whatever he touched, he created something useful, original, and beautiful. He could fix almost anything. In short, he really was a "MacGyver", with one exception, he had no clue how to do basic maintenance on a car. He especially hated to gas up the car. Isaac made rosaries out of paper clips and gave them away, and if you were fortunate to get one, guaranteed it has never come apart. It was solid-heavy duty. He tried to start a business for one of his inventions which was a vest, that could hold sharp objects for beauticians, butchers, gardeners, hunters, and more. He tried to sell these by going door to door, and sold many, but it didn't catch on, but not for the lack of trying and effort.

Isaac loved to sketch and draw pictures on any kind of medium, as well as, on his tablet in drawing apps. He was proud of his drawings and loved to give them away.

Issac Xavier Chavez

OCT 30, 1984 - AUG 14, 2023

Issaac helped a lot of people that were struggling, he would literally give his last dollar to them, or give his only coat to someone he thought was in need. They wouldn't even have to ask. If he was walking by and saw you struggling with anything or needed help, for instance moving furniture, mowing your lawn, or shoveling, you can be sure he would stop and help or do it himself. Issaac never met a stranger.

Issaac is survived by his mother Rita Perez Orosco, his stepfather Juan Orosco, sister Sara Orosco Early, brother-in-law Michael Early, niece Autumn, and his niece, Brighten Early, whom he loved the most in the whole world, and his Grandparents Tony and Lucinda Perez.

He is also survived by his father, Paul Chavez, and Grandmother Geraldene Chavez, and many aunts, uncles, and cousins, too many to mention by name.

He is preceded in death by his Grandfather Diopoldo (Paul) Chavez, and Cousin Chelsea Chavez.

He will be missed by his special friends, Stan Matuszewski, Darla Jones, and Zina Reyes.

We would like to give special thanks to Dr. Moodibagel, Dr. Jackie Lloyd, Brandy, Val Leavitt, Chistopher, and many others from Mckay Dee Hospital, the Inn Between Home, April from Evolution Hospice Care, and many others, for caring, and being very patient with Issaac, through his battle with cancer.

There will be a, Chaplet of Mercy Rosary, and Mass for Issaac, as he smiles at us from heaven, at St. James the Just Catholic Church, 495 N Harrison Blvd, Ogden Utah, on Friday, September 1, 2023, at 10:00a.m. followed by a service at the Evergreen Memorial Park Cemetery, 100 Monroe Blvd. Ogden Utah.

In lieu of flowers, and for those who would like to donate, in Issaac's name, please do so to the Inn Between Home, 1216 E 1300 S, Salt Lake City, Utah, a shelter for homeless individuals who need a place to stay, as they recover and heal from illness and/or injury, and for those who need Hospice care.

Have followed the Moskva down to Gorky Park listening to the wind of change
An August summer night
Soldiers passing by
Listening to the winds of change
The world is closing in
But did you ever think that we could be so close
Like brothers the futures in the air
I can feel it everywhere
Blowing in the wind of change
Take me to the magic of the moment on a glory night
Where the children of tomorrow
Dream away in the wind of change

Thank you for your thoughts :)

The last month of Isaac living in the Inn Between Home, he received packages and cards. Every time he got one, he would have a big smile on his face and say "I bet I know where this came from...Georgia". This is because cousins from Georgia, Sarah, Veronica, and Vicky, and their families wanted Isaac to have some cheer and for perhaps for a moment forget his pain. Let me tell you the first thing after reading the card, he would go out of his room and share all the goodies, of course he would have one or two and I would get one or two, but the rest were for those who never received a care package in their life. Thank you cousins

I knew Issaac through working at The INN Between and i'm so grateful to have gotten to know him. He had such a lighthearted, caring energy that brought smiles to all that knew him. He had a quick wit with a contagious laugh and smile. What will always stick with me is his generosity, positivity, consideration of others, and giving nature. What a beautiful tribute to the life and character of Issaac. He was truly a special soul. Praying for all of his family in this time. I know he is up there drawing all the angels.
