Obituary

Freddie Lee Roberts

FEB 28, 1950 - SEP 14, 2023

Freddie was strong willed, and had a great sense of humor, but also generous, loyal, and brave until the very end.

Daddy you fought so hard to stay with us. I will never forget your strength, determination and will. We love you and we will miss you so much. We know that, "you aight".

Due to dad's request, there will not be a funeral service. We are going to take Dad back home to Florida and have a celebration of life with our beloved Florida family at a later date.

I would like to give a special heartfelt thanks to my sister TaNika, and my brother Roger for always looking out for mom and dad. I appreciate everything that you do, and have done for mom and dad. Together we will get through this difficult time. Love you infinite ❤️
