In Loving Memory of Marla Agnes Pace Scott

Marla Agnes Pace Scott, a beloved daughter, sister, wife, mother, grandmother, friend, and faithful servant, passed away on September 26, 2023, at the age of 72. Marla created a legacy of love, faith, and devotion that will forever resonate in the hearts of her family and those who knew her. Born to Calvin Pace and Verla Jensen on August 21, 1951, Marla was raised in a family, where love for others and faith in Jesus Christ was instilled in her heart at a young age. She has a deep and cherished bond with her four siblings: Stan, Connie, Dennis, and Darin.

On December 29, 1971, Marla married Jamon Scott in the Oakland California Temple, a perfect start for the many wonderful years they served alongside each other in their shared commitment of faith and family. Marla is a devoted mother to her seven children; Jac, Josh, Jenelle, Jarah, Jessica, Jamison, and Jemayla. She showed them how to live a life of selflessness, love, and sacrifice. She offered them a beautiful example of humility and gratitude. Marla adored each of her grandchildren and great-grandchildren. She spent individual time with each of them to express her love through special moments and memories.

Marla's life is a representation of her faith in God's plan and mercy. She dedicated her time and developed her talents in many church service missions and callings, always seeking to serve and share the message of Heavenly Father and Christ's love. Her love for Them inspires her to live with hope, forgiveness, grace, and compassion. The memories of her sweet smile, giving heart, and cheer-filled nature will continue to comfort and inspire each of us who had the privilege of knowing and being nurtured by her.

A memorial service to celebrate Marla's life will be held on September 29, 2023, in Provo Utah. Condolences can be sent to the family at www.premierfuneral.com.

We are grateful for the association we had in our Ward with Marla and Jamon and the children as well. They were/are a fine family. She served as Relief Society President and Jamon in the Elder's Presidency and we are grateful for the service they gave. In more recent years two of their daughters and their families have lived in our Ward and they have fine families also. Sister Martin was able to teach one of the daughters at Edgemont Elementary School. We are grateful for having had some good times together and we have fond memories of our association with Marla and Jamon.

Marla was called to be our Relief Society president two months after moving into the ward. I was blessed to have her ask for me to be her 1st counselor for the two years she was in our ward. Immediately I was taught and shown just how much she loved the Lord and Heavenly Father whom she called "Papa". She was always so happy and so kind and loving and willing to help at all times. Many a meals we gave sharing the main course, salad and dessert for others. Even after the learning I got as RS president a few years back, I learned more from Marla just doing all we did, the laughter with the sisters, the activities, the talent she had with jewelry, the love of sharing with the sisters, the giving of herself and time, the Sisters Sundays, I loved it all. I loved her and I appreciated so much getting to know Jamon and his love for her and her energy and service. I was a better person after being with Marla. I loved how attentive her family was to her in her trials with her health. It was so touching to see their tenderness and love for her. We will visit again after my work on earth is done.

Golly, where do I even begin with my lovely friend and gospel sister. Marla and Jamon walked into our lives a couple of years ago and we fast became friends....and we will never be the same because of their pure love they gave to so many. We had dinners at each others houses, went to a number of movies together, are huge fans of the series, Chosen, and had many insightful discussions about our Savior because of the series. Marla would get almost giddy with excitement upon talking about our Elder Brother, Jesus Christ....it was joy filled and we would often come to tears in sharing our love for our Savior. Her enthusiasm, laughter and smiles were contagious and heart warming. We served in callings together, (how she loved crafting and creating), and we had the best of times, including cleaning the temple and attending the Pocatello Temple. Jamon and Marla have left footprints on our hearts through their genuine friendship, Christlike examples and their love and compassion upon us and others in the Blackfoot 10th Ward. She endured to the end of her mortal life with grace and confidence of where she was headed - she left the loving embrace of her beautiful family here and walked through the parted veil into the arms of beautiful loved ones in another realm. She will always be my eternal friend, and I can feel her warm embrace and hear her chuckle even now telling me she has met our Lord and Savior - but I think she already had through her faith here...she just knewand knows even more right now! Till we meet again Miss Marla, I love you❤️.

Marla came into our lives in Boise when she and Jamon began their Mission at the Records Operation Center (ROC) as Assistant Mission Leads then took over for us when we were released. She was loving, compassionate and service-oriented and we quickly became eternal friends. She loved the gospel and it was obvious that she loved her husband and family. I know Jamon and their children will miss her terribly in this life, but also know that she is waiting for them to join her in the eternities. I loved her and always will. -Claretta and Gary Hayden
