Peggy Jo Heidrich

JAN 11, 1949 - SEP 21, 2023

Peggy Jo Heidrich, better known by her family and friends as "Beebs" passed away on September 21, 2023, at the age of 74. She spent her last days surrounded by her family, lots of friends and an endless number of prayers.

She was born on January 11, 1949, in Los Angeles California to Fern and Joe Dougherty. They had three children, Fred, Joie and Peggy. She married Steve Heidrich on November 22, 1969, in Bountiful, Utah. They had two children, Jake and Matt Heidrich. She had four grandchildren and three great grandchildren.

Her love for her family and for her Lord and Savior Jesus Christ were the priorities in her life. Beebs never missed an opportunity to brag on her family and to share the love of Jesus with anyone and everyone she met. She was truly a woman after God's own heart and served others continually. She loved listening to Elvis Presley, especially singing gospel music, while working around the house or in her yard.

She worked most of her life as a Bible teacher within a pre-school and loved teaching kids about God. Her heart's desire was that her family would always be close and serve the Lord. She leaves behind a wonderful, sweet legacy of love, kindness, and joy. She was loved by anyone who came into contact with her and will be greatly missed. We love you very much Beebs and know you are so happy now in glory!

She is preceded in death by her parents, Joe and Fern and her brother Fred. She is survived in death by her husband Steve, her two sons, four grandchildren and three great grandchildren.

A graveside service will be held at 11:00 AM on Friday, October 6 at Bountiful Cemetary. She will be put to rest with those who preceded her in death. Anyone wishing to attend, please wear your jeans, anything Elvis, or the color green. She would have loved it.

My memories of Peggy go back so far. There are so many. Our first meeting at swimming lessons for Jake and Alisha. Matt and Dean toddling around in diapers at the pool. Jake and Alisha were the same age and so were Matt and Dean. Peggy and I hit it off from the first meeting. We loved and laughed together for years to come. Our children were best friends from that day forward. Our times spent going to the Spa and swimming are memories I will always cherish. We would exercise and the time would fly with laughter and joy just hanging out together. One day while walking out from the Spa to get the kids from the day care there were some workers on the overpass by the Spa. We got all kinds of wolf whistle's and cheers. We both looked at each other and HIGH FIVED. Laughed and said "We still got it girl." I swear I could write a book about our years together raising our children. The kids were either at our house or Peggy's house. The bond was so strong. Our children were blessed with two mother's. We worked and played together. The unconditional love that Peggy showed me and my children will forever be in my heart. My emotions are a mess. On one hand I am so sad and on the other hand I know Peggy is in the arms of loved ones passed and our Dear Lord and our Brother Jesus. From me to you Peggy a "HUNKA HUNKA Burning Love". Rest in Peace my BFF.
