Elizabeth Anne "Beth" Barber (Fisher)

DEC 6, 1968 - OCT 5, 2023

Elizabeth Anne Fisher was born on December 19th, 1947 to Elizabeth Frances (Klein) and Irving George Fisher. Beth, as she was known, was raised in Mount Morris, New York and graduated from Mount Morris Central High School in 1965. Beth then attended Erie County Technical College in Buffalo, New York where she earned an Associate in Applied Science degree in dental hygiene. Beth enjoyed alpine skiing and it was in the singles line waiting on a chairlift, on December 5th, 1969, that she met the love of her life, Richard N. Yaeger (pictured). Beth and Dick, as Richard went by, married exactly one year later on the same date. They eventually sold the collection of cars and began vacationing extensively across the United States, Mexico and the Caribbean. Their travels introduced them to snorkeling and sailing, and that interest in sailing blossomed into a passion leading to ownership of several boats as well as competition in races together as a team. In Fall of 1987, Beth and Dick relocated to a beautiful home in Centerville, Ohio. After a fulfilling career in dental hygiene Beth retired in 2012. Through her retirement, Beth maintained a close connection with her colleagues from dental practice which she cherished. Beth enjoyed time in nature and gardens, including cultivating her own. Beth and Dick frequently visited Hilton Head Island in North Carolina and Letchworth State Park in New York, both of which held very special places in their hearts. Friend and neighbor, Andrea Adams and her family were stalwart companions to Beth, and proffered much support to Beth over her years in Centerville, especially through
