Michelle "Shelley" Ann Limb Huggins

DEC 27, 1961 - OCT 9, 2023

A life worth celebrating, Michelle Shelley Ann Limb Huggins brought joy, love and laughter to so many with her childlike spirit. In confident clothing, stylish hairstyles, she was sincere and honest with a personality that touched others so tenderly. From the day she was born 12/27/1961 until she left 10/09/2023 Shelley will be dearly missed while she occupies a grandiose living quarter in heaven. She is joyously with her mother Jean Marie Christensen Limb and her little sister Tracy Limb. Who will gladly present her with a warm embrace and wings, they have asked that no other family members or friends visit at this time.

Their watchful eyes are on all of us and Shelley is ecstatic to visit us all. Her list includes but is not limited to her son Brad Jay (Rose Walker) Finster granddaughter Starley Rose Finster, you may catch a glimpse of her on the road with her father Walt Limb, She may be heard laughing with many including her sisters Claudia Limb and Allison (Billy Hensler) Matson, and brother Brandon Limb. And you know it, she will enjoy sprinkling love dust on many nieces and nephews. She could be felt embracing her family and friends from childhood to adulthood, from Wasatch club house to the boulders. It wouldn't surprise us at all, if it was from sea to shining sea.

Our Family sends a heartfelt appreciation to all those who have showed up for Shelley. Wasatch Mental Health and Clubhouse staff, Utah Valley Emergency response team, LDS behavioral health, West Valley Behavioral health, Provo City Ambulance and Fireman. Rest assured if we have missed anyone, they will notice a twinkling of gratitude. Shelley would never leave anyone out.

Above all our family respectfully praises and thanks her driver, Jesus Christ. She has always had sparkling blue eyes for Him, she is such a flirt.

If you'd like to join us in sharing all the fun stories and memories about Shelley, we invite you to join us in a celebration of her life. October 23, 2023 5:00 p.m. @ Arlington Hall 266 West 100

Shelley was such a unique neighbor and a fun addition to The Boulders. My first encounter with her wasn't a good one... but as I got to understand her struggles... I had the privilege of knowing the Shelley that everyone else knew and grew to love her as well. You are home... rest in peace. Your neighbor and friend; Janalou... or as you called me....Janalee

Shelley always needed a ride somewhere. sometimes when I got there the ride was needed by one of her friends. she always offered to pay me.. but we never collected. She was always generous. with her time and with her friends and family help. she was so proud of everyone. she was full of love and you knew it. Shelley loved everyone and she loved the guys in our family especially her cousin Randy to his embarrassment. but she loved everyone to the max. Shelley stayed with me and wanted me to come have lunch with her every day she introduced me to everyone at the clubhouse every day that I went. like I was someone important! She always bragged about BRAD and what he was doing. and wanted all to see. Brad she loved you so much and was so proud of the man you have become. and the father you are. I can just imagine her with that baby girl. she was probably sampling heaven when holding her in her arms. Shelley was pure love. if someone hurt her she forgot fast and she was in love again. I tried to caution her in life a few times. She could not hear me. she ignored me or said they had a reason for what they did. then she would shrug her shoulders and say 'OH Well' like it would not matter.

This picture makes me laugh all the time, dropping off Shelley at her favorite job, collecting money for kids for Christmas, at the Smith's.
