# Juanita Tedder Dorlon

FEB 1, 1923 - NOV 17, 2023

**J**uanita Tedder Dorlon [Henson, Ashley, Dorlon] was born 1 February 1923, at Venice Florida, the daughter of Dexter D. Tedder and Susan Doris Harden. Juanita lived much of her early life in rural northern Florida surrounded by extended family in and around Columbia County. She graduated from Lake City High School in 1941.

Juanita married H. Wayne Henson in 1943 at Lake City where he was serving in the U.S. Navy, and she worked as a telephone operator. They adopted George Wayne Henson in 1949 (deceased 2021) and Kevin Reid Henson in 1954 (living). Like many WW2 military wives, she followed Wayne's postings until his retirement in 1960 when they moved to central Florida.

In 1966 Juanita graduated from Lake City Junior College with a Bachelor of Science in Nursing. She then worked primarily as a surgical nurse until transitioning to public health for Seminole County, finally retiring in 1982. She and Wayne divorced in 1972.

Juanita married V. Claude Ashley in 1974 and they were sealed in the Washington DC temple. Claude died in 1976 from bone cancer.

Juanita married Daniel A. Dorlon in 1988. They served a mission to Liberia Africa and London England for the Church of Jesus Christ of Latter-day Saints. A life-long member of the Church, Juanita served in many positions of leadership, teaching and service. Dan died in 2001.

Through friends, Juanita became involved in square dancing, which she dearly enjoyed for over two decades, becoming a member of multiple dance groups and performing publicly.

Juanita's posterity includes 5 grandchildren (Samantha, Christopher, Catherine, Jonathon, Brian), 9 great-grandchildren (Dyllon, Samantha, Kayla, Nathan, Ethan, Brayden, Trent, Madyson, Melody) and one great-great (Calvin). She enjoyed traveling to see family, and to see some of their exploits and adventures.

Dear Juanita, what a lovely person! I remember back in the early 70's when we were young teens, she was so kind and patient with us.

Juanita, Juanita, what a lovely soul you are. I see where your sons learned to be kind, patient, self-controlled, rooted in goodwill, and ready to share the gospel (depending on the child :)). My daughter, Samantha, and I were lucky to call you family. I hope we join you before too long. Things always seem okay where you are. Most of all I am glad to have known you well because I saw your lifestyle as the fruit of the tree of Christianity. And even though it took me a "lifetime" to quit smoking, I finally fell into the best church on earth.

Juanita makes me happy, welcome, special. She makes me hungry to learn of the past, a different time.. In school, we learn how hard those long ago years were. And Im sure they were. to those who lived then. But to listen to Juanita tell it, she and her siblings turned then into good times, . She spoke of those days with longing for those who have passed and gladness to share some truths about the years gone by.. I will miss our talks, our Skipbo ames ( which she usually won) and the smile that she so freely shared. God Bless you, our dear friend. We love you and will be rejoicing just knowing that youre in a better place, free from the aches and pains that held her back. See you at the rable..have the Skip Bo set up. Belle & Mike Lindauer
