Sometimes in life you get lucky and meet and become friends with a real special person. I was lucky enough to meet Todd through our love of golf and the great group of friends and adventures that grew from it. Todd knew everyone and everyone loved and respected him. When Mac asked how you and your family were doing it wasn't just in passing, he really wanted to know, that's just who he was. Luv you man, you did everything right. Mike Thon

Todd was such a good friend and was always fun to hang out with. I was fortunate enough to meet Todd many years back and have so many great memories of our golf trips together with our friends. I will always smile when I think of all the crap we would dish out to each other. And believe me Todd could dish it out. Todd thanks for all the memories I will miss you. You were one of a kind. LES
