So sorry to hear that Claire passed, my condolences to all of you. He was a great cousin, I'll never forget as a kid he left the house in his muscle car and I heard him for what seemed miles roaring down the road. Wish we as cousins would have spent more time together. ☐☐

I was sorry to hear about Clair. When we went deer hunting, your mother would tend Brian and Lamont. They also got to go a couple of times during the summer too. Clair and Steve got to stay with us a time or two also, it was fun times for them to be with their cousins, I'm sure. I love you all, aunt Ethelene ❤️

I remember the day you took me out duck hunting with you...what a grand (and funny) adventure..from getting stuck in the mud, and walking what seemed like hours to get to just the right stop. To having ducks up in the bucket I was sitting on, and one of the ducks wasn't dead yet and kept hitting the top of the lid!! Talk about scaring me to death! And you just laughed!! Such great fun that day!! Many, many more memories like this!

When your parents lived behind Petersons, I was there one day and you brought out one of your shot guns to shoot off a couple rounds...finally, you asked me to hold the gun, just as the sheriff's department was pulling in! You tried to tell them it was me, shooting, but they knew better...the gun was taller than I was!! It was a funny time, for sure! Luckily, they only talked to you and no tickets!! I always had such fun with you!! Miss you already!!
