Glade Eugene Chidester

JAN 14, 1947 - MAY 10, 2024

In loving memory of Glade Eugene Chidester, a cherished husband, former spouse to Denise Keim, and a devoted father to Joshua, Brittany, and Christopher Chidester (and his wife Stevie). Gene was also a proud grandfather to Dominic Massey, Peighton Chidester, and Kal Chidester. He is survived by his sister, Lavee Thomas.

Glade was born on January 14, 1947, in Price, UT, and was raised in Mapleton, UT, where he attended Springville High School. Following his education, he pursued a career in water treatment, obtaining certification from UVU.

A proud veteran, Glade served in the United States Navy, where he graduated with distinction. He later found fulfillment as a tow truck driver, auto body specialist, and steelworker.

Glade was a man of many passions and accomplishments. Notably, he served as President of BACA (Bikers Against Child Abuse) and excelled in wastewater management. He was known for his infectious smile, his witty sense of humor, and his unwavering willingness to help others in need. Glade shared a special bond with his brother, particularly through their shared love of drag racing and Harley rides.

To honor Glade's remarkable life, a celebration will be held on May 18 at 12:00 PM, located at 720 N Atlantis Dr, Orem, UT. Following the celebration, all are welcome to join in a Harley ride in his memory.

So sad to see this, his daughter Brittany was my best friend for many years, their house was 3 doors down from mine, Gene was always kind to me & I have so many good memories of my childhood, sleeping over at their house, going to the sandunes and so much more. R.I.P Gene!!

My dad (Dave Robinson) and Gene worked together at Ralph's automotive in Mapleton and I remember when as a kid my mom would take me and my baby sister to go see Dad at work and he'd come out to talk and then Gene would come out with his big beard and scare my sister until she cried and then he'd just laugh. After I was all grown up I helped my wife at her work where they patterned up with BACA where I was able to visit with Gene and remind him how he would scare my sister when she was a baby. To Gene's family, may you be comforted in your time of grieving as you morn the loss of Gene.
