# Jacqueline Yates Hall

AUG 6, 1937 - MAY 17, 2024

**J**acqueline Yates Hall was born in 1937 in Ely, Nevada.

Jackie lived in many different places throughout her life, including Texas and Montana, but her favorite places were Panama, which she talked about often, and of course, Utah. She loved living in Utah because she was able to be close to her family. She attended high school in Panama and later attended Brigham Young University in Provo, Utah. In 1956 she married George Boyd Hall.

Jackie is survived by her seven children; Frank, Kathy, Susan, David, Jonathan, Michael, and Justin; and her sisters Margaret and Gwen.

She is preceded in death by her father, Huish; her mother, Alta; her brother, Stanford; her sister Eleanor; her son, Christopher; and her husband, Boyd. Jackie was a grandmother and great-grandmother.

She was an accomplished artist and had taken classes throughout her life, including at BYU. She entered paintings into several shows and received various awards for her work.

Jackie's greatest life achievement was her family. Her family was everything to her.

Even though Jackie is no longer with us, her impact will be felt for generations because of the love that she had for everyone that knew her. One of her favorite sayings was "You can't learn to love people unless you spend time with them."

Aunt Jackie always had a smile to share. She was a great cook and a hostess. I remember her words of encouragement during my personal times of struggle. All my love to each and everyone of her children.
