giving and receiving cards. She had a very large family and always reached out to see how they were doing or if they needed anything. She loved going out to eat with Laura Anne as she loved trying new restaurants. She loved her home in West Valley where she had her favorite cats Pumpkin, Loki and Laie. Louise loved cats and made sure her cats were cared for.

Louise loved going to the movies and going out to eat. She loved spending time with her family and talking on the phone to them as much as possible. Her family was her pride and joy and there was nothing she liked better than talking about them. She loved listening to music from the oldies and country. She loved reading and collecting books and movies.

She enjoyed spending time with her longtime friends Nancy, Rosemary, and Mary Louise. She always looked forward to sending and receiving letters and cards. She kept every letter, card and pictures that everyone has sent her through the years. We will always remember her beautiful smile, her welcoming warmth, southern charm and accent, and her sweet and kind personality. She loved taking pictures and we will always remember her picture taking stance.

Please join her family and friends in celebrating her life.

Louise was my best friend for over 50 years. I remember giving her some tomatoes from my garden. Some of them were still pink. Here first words when she saw them were, "Fried green tomatoes". Love and miss you my dear friend. Rosemary
